**RE: DATES FOR FINAL QUALIFYING AND END-OF-SEMESTER EXAMINATIONS**

This is to inform you that the June/July 2022 Final Qualifying Examination and the End-of-Semester Examination for continuing students will run as follows:

Level of Examination		Commencement Date	Date of Completion
1.	Final Qualifying Examination	6 <sup>th</sup> June, 2022	8 <sup>th</sup> July, 2022
2.	End-of-Semester Examination	11 <sup>th</sup> July, 2022	29 <sup>th</sup> July, 2022

The consolidated schedule of the final examination is hereby attached. Timetables for individual programs have earlier been shared with the campuses and should be posted in the general students noticeboards.

The Heads of Academic Department, Nairobi are further requested to prepare the end-of-semester examination schedules/timetables and share with the concerned Campuses and students. They are also expected to liaise with the HODs (satellite campuses) for setting of the test items which should first be moderated at Campus level. Further, the HODs Nairobi will then liaise with the Examination Secretariat for further processing of the items.

Thank you for the continued support.
