

THE NYANZA PHYSICS LINK EXAMINATIONS

P.O. BOX 81 - 40305 TEL. +254 721 883 656, MBITA

Date...21st September 2021

TO: THE PRINCIPAL
TOM MBOYA UNIVERSITY COLLEGE
HOMA BAY

Thro'
THE COUNTY DIRECTOR OF EDUCATION
HOMA BAY COUNTY

Dear Sir/Madam

RE.: AUTHORITY TO HOST PHYSICS TEACHERS' WORKSHOP (3RD EDITION) AT TOM MBOYA UNIVERSITY COLLEGE-HOMA BAY

The workshop will take place on 15th – 16th October 2021; starts promptly at 8.00 am daily.

The theme for this year's edition will be "Physics for Industrial Transformation". The participants will be facilitated on:

- Physics as a STEM learning area: Competency Based Curriculum (C.B.C.)
- Conceptual learning of physics: The link between theoretical and practical physics
- ICT integration in the teaching and learning of physics
- KCSE analysis, current trends in setting and marking of KCSE Physics examination papers.

For organizational reasons, we would like to ask you kindly to confirm your participation on or before 14th October 2021.

Logistics: every school will be expected to cater for the accommodation expenses of their teachers. Every teacher will be required to pay **Ksh. 2500** to cater for stationery, certification and facilitation costs.

The purpose of this letter is to request to use your hall for the workshop. Expected participants will be 250.

For additional information, please contact:
