---

The Directorate of Teacher Education has conducted the 1<sup>st</sup> and 2<sup>nd</sup> Pre-Service Selection and Placement of Teacher Trainees in 2021. Some applicants did not merit admission criteria because of the subject cluster requirement. Upon discussion and review of the application trends, the Ministry intends to compile data on such applicants.

In view of the above, you are required to liaise with the Sub-County Directors of Education in your respective jurisdictions and submit the list of all applicants who did not meet the admission criteria for the Pre-Service Teacher Training. The county data should be submitted as per the attached format of registration form 'C' in excel format.

The soft copy in excel format should be emailed to [moepte2017@gmail.com](mailto:moepte2017@gmail.com) on or before 20<sup>th</sup> October, 2021.
